

St Albert the Great Catholic Primary School

Sports Premium Funding 2014 - 2015

Background Information: From September 2013 the Government allocated funding directly to primary schools to support and improve the quality and breadth of PE and Sport provision. The 'Sports Premium' money is 'ring fenced' which means that it can only be used to help ensure that sport is at the heart of school life to improve participation and raise achievements for all young people. This funding will be available for three years until July 2016.

Our Vision: ALL pupils leaving St Albert the Great school will be **physically literate** and have the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

We are working hard to ensure that the Sport Premium money will leave a legacy of improved sporting performance, increased participation and better promotion of health and well-being for ALL pupils at St Albert the Great School

Our Aims:

1. Engagement of all pupils in regular physical activity - kick-starting healthy active lifestyles
2. Raise the profile of PE and sport across the school as a tool for whole school improvement
3. Increase the confidence, knowledge and skills of all staff in teaching PE and sport
4. Provide broader experience of a range of sports and activities offered to all pupils
5. Increase participation in competitive sport
